THANK YOU!

**This is it – for now.** Thank you very much for participating in Part 2 of this study. As you know, this is a longitudinal study, so we will need to combine your answers with what you told us back in October – if you participated back then.

We want to keep your data fully anonymised, but need to be able to link your questionnaires at different time points. Therefore, **please again create a unique code in the following way:**

From the address where you **last** lived before you came to this university, the **last** three letters/numbers in the post code:

\_\_\_ \_ \_

From your date of birth in the DD/MM/YYYY format:

X \_\_\_ / X \_\_\_ / XXX\_\_\_

(For example, for 15/11/1993, you would put X5/X1/XXX3).

From your mobile phone number, the last two digits:
